About Julie

Julie McIntyre is an Earth mystic, ceremonialist and spiritual mentor of Mohawk/Blackfeet descent. She is the director for the Center for Earth Relations, and a full-time herbal practitioner who works with the Sacred Pipe, Medicine Wheel, and Vision Quests in facilitating closer human bonding with the Earth.

She is the author of *Sex and the Intelligence of the Heart; Nature, Intimacy and Sexual Energy*.

You can see more about her at: www.gaianstudies.org or www.sexandtheintelligenceoftheheart.com
